Free State Patriots Endorses Statehouse candidates in Howard County

Free State Patriots (FSP) hereby announces its endorsement of the following candidates for Legislative District 9A in Howard County to serve in the Maryland General Assembly:

Frank Mirabile (House of Delegates)

Warren Miller (House of Delegates)

These endorsements are made on the basis of an inclusive, consensus vetting process among members of the Free State Patriots (FSP), a non-partisan public-interest organization, which seeks to evaluate and compare candidates to measure their commitment to the principles of liberty and limited, constitutional government.

The FSP vetting required candidates to submit an application and questionnaire for review, which is made available to FSP members and the general public at the website of the Patriot Vetting Committee (PVC): <http://patriotvoting.com/states/maryland>. Candidates are then invited to participate in a public forum to review their positions on the issues. The candidate forum for Legislative District 9A in Howard County was held on May 21, 2014 at the South Carroll Senior and Community Center in Eldersburg, MD. An audio recording of this forum was prepared and made available to all FSP members and the general public at the above PVC website.

Free State Patriots is open to all voters in Maryland who are committed to the basic principles of liberty and limited, constitutional government. FSP website is: <http://meetup.com/Free-State-Patriots>. Applications, questionnaires, and audio recordings are available for public inspection at the website of the Patriot Vetting Committee, <http://patriotvoting.com/states/maryland>.
